REFLECTION ON THE DEVELOPMENT OF INDIGENOUS DISASTER SOCIAL WORK PRACTICE MODEL

本土灾害重建模式的思考

Reflection on the development of indigenous disaster social work practice model 本土灾害重建模式的思考

1. Social work educators' roles 社会工作教育者的三重角色

Reflection on the development of indigenous disaster social work practice model 本土灾害重建模式的思考

2. Using a development and resilient perspective to integrate personal , family, community and social capitals以发展及 • 性视角整合个人, 家庭, 社区及社会资源
3. Multi-disciplinary collaboration(Healthcare, social work) 跨专业协作

Reflection on the development of indigenous disaster social work practice model

本土灾害重建模式的思考

4. Active engagement of different stakeholders(government, communities, professionals, educators, business and local residents)及跨界别协作
5. From direct practice to policy adovacy从实践，教育到政策倡导
6. Active interaction between local and international perspectives 本土与国际视野的互动

FROM RESPONSE TO PREPAREDNESS

从回应到预备

We have to get prepared.....

面对频发的天灾、社会灾难...我们该如何应对

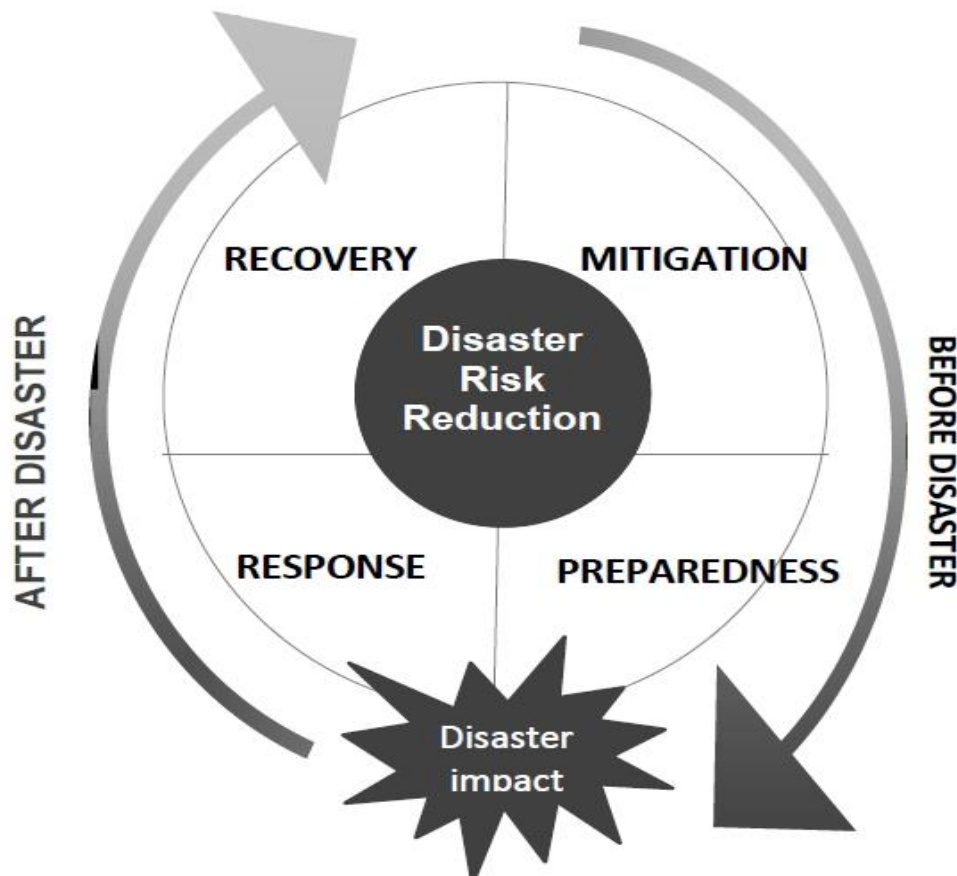

Prepared for....

国务院对『公共突发事件』的分类

- 自然灾害
- **Natural Disaster**
- 事故灾难 **Technological Accident and Disaster**
- 突发公共卫生事件 **Emergency in Public Health**
- 突发社会经济安全事件 **Emergency in the Society and Economic Activity**

Cycle of Disaster Management

危机管理流程

- 预防 (Prevention)
- 准备 (Preparation)
- 反应 (Response)
- 恢复 (Recovery)

United Nation:Yokohama Strategy for a Safer World

“Plan for Action” 1994

联合国1994年『兵库宣言行动纲领』

如何建设一个更安全的地球

- Governance: organizational, legal and policy framework 政策创制
- Risk Identification, assessment, monitoring and early warning 风险评估 早期干预
- Knowledge Management and Education 知识管理 能力建设
- Reducing underlying risk factors 减免灾害因素
- Preparedness for effective response and recovery 防灾意识 应对恢复
